Flu Vaccinations

Why is the flu vaccine important?

Flu can spread quickly in schools and can lead to serious illness, missed school days and increased risk for vulnerable family members. Vaccinating children helps protect not just the individual child, but also classmates, teachers, and families.

This year's Flu vaccinations will take place tomorrow (Tuesday 25th November 2025).

Please take a look at the short

video (click on the link) which helps parents and children understand what happens in the flu vaccination session.

Christmas Activities

Christmas Nativity/Production

As you are probably aware our Christmas Nativity and Production preparations will be starting soon.

Children from 4 to 11 years of age will be performing in one way or another.

Of course, not everyone can be the star of the show, but we all play an important part - teamwork is imperative!

Below are a few guidelines which we follow when organising the Christmas shows:-

- The older children usually have the main roles, and the younger children take the supporting roles - both in the 'KS2 Production' and the 'EYFS/KS1 Nativity'.
- All children take part and are encouraged to 'shine'. Developing confidence is a key objective.
- We don't have formal auditions but during the practice of songs we look

for those who have a natural talent for acting and/or dancing. The whole experience is very positive, with lots of praise and encouragement for all involved. We have less 'main parts' and more group songs/dances.

Everybody enjoys being a part of our Christmas entertainment, including the staff, who get to know children throughout the school as a result of the team effort! It is hard work and the children get very tired but the result is well worth it. The ex-pupils of St Bert's always remember the Christmas shows!
