Homework - Cherry Class - Spring 1

Due in Monday 13th February 2023

This term we are reading a book called 'Grandad's Camper'. I would like the children to create a place where they might want to go and visit using different materials.

Please encourage your child to be as creative as they can!

For example, if your child may want to go to the beach. You may use a paper plate, blue pain and a bit of sand etc.

The children choose anywhere! We have looked at maps, looking for different land marks ie Eiffel Tower. Maybe children might want to incorporate these ideas into their work!

Any questions let me know!
