"Treat others the way you would like to be treated yourself"

6th November 2026

Message from Mrs Procter

It has been lovely to welcome everyone back to school after what we hope was a restful and enjoyable half-term break!

We have had a thoughtful and reflective start to the new half-term. On Monday, our KS2 children attended Mass to celebrate the Feast of All Souls, taking time to remember and pray for those who are no longer with us. Our KS1 children also marked this special occasion with a thoughtful assembly.

As we approach Remembrance Day, the children have been showing their support by purchasing poppies and learning about the importance of remembering those who have served and sacrificed for others. The children in Brass have also been busy practising the Last Post in preparation for next Wednesday's Remembrance events. We are very proud of their dedication and the care they are taking to prepare for this special occasion.

It has been wonderful to see everyone settling back into school life with such enthusiasm. We look forward to another busy and exciting half-term together.

Weekly Reflection

Prayer is a very special part of our school life and an important way in which we grow closer to God. It gives us time to pause, reflect and share our thoughts, feelings and hopes with Him. Prayer is a personal journey and there is no right or wrong way to pray. It is about building our own relationship with God and knowing that He is always there to listen.

We remind the children that prayer doesn't always have to involve words. We can pray by simply talking to God and sharing what is in our hearts, through singing a favourite hymn or song, or even by drawing a special picture to express our thoughts and feelings. Sometimes, sitting quietly and taking a moment to reflect can be a prayer in itself.

As a school community, we encourage our children to find their own special ways to connect with God, remembering that He listens to every prayer, whether it is spoken, sung, drawn or simply held in our hearts.

"Pray continually." – 1 Thessalonians 5:17

Let us continue to nurture our children's faith, helping them to discover that prayer is not just something we do but a beautiful and personal relationship with God that grows throughout our lives.

Family Mass

On Sunday 22nd November, we will be having a Family Mass at 11am in Church to celebrate the Feast of Christ the King and all are welcome. We hope that lots of children and families can attend this Mass to celebrate the special feast day that holds the same name as our school and church.

There will be an opportunity for children to act as welcomers, to take part in the readings and bidding prayers, and to bring up the offertory at the Mass and of course, everyone is encouraged to participate in the singing. If you will be attending and would like your child to participate in a ministry, please email Mrs Barker, lbarker@christtheking.wirral.sch.uk by Friday 13th November. We will organise readers during the week of the 15th November and practise during the school day.

We hope that this will be a great chance for us to gather together with our parish family. Refreshments will be served after the Mass in the parish hall.

Year 3 Mass

On Thursday 12th November, Year 3 will be joining the parishioners for Mass at 9:30 am. Parents are more than welcome to join us over at the church at 9:30 All welcome if you are able to attend.

Parking Concerns

Several concerns have been raised by residents about parking outside the school and surrounding streets. New road markings have been painted outside the school in Allport Road and there have been complaints from residents and other parents that these are being ignored causing traffic chaos and safety issues whilst bringing children to and from school.
Can we ask that everyone is mindful and considerate of each other and the road traffic laws and regulations which are enforceable by the Local Council and may result in them issuing a fine.

Appointments During School Hours

Please help us minimise disruption to the classroom and your child's education by booking non-urgent medical and dental appointments outside of school hours or during school holidays. If an appointment during the day is necessary, please notify the school office in advance and aim to

have your child in school for the rest of the day. Please also avoid collection during the busy lunchtime period.
Thank you for supporting your child's learning!

Scholastic Book Fair

The Scholastic Book Fair is returning to CtK after half term. It will be held in the library (from the playground door) each day after school from **Monday 16th November – Friday 20th November. There will be a card machine to make payments again this year, and also the QR code payment link, so please ensure you bring a bank card with you as we will NOT be taking any cash.** Children will have the opportunity to visit the Book Fair during the school day to browse the books on offer.

Last year through your purchases of books at the fair our school received £784.16 in rewards to spend on new books!!! That means every classroom got a new collection of books for their class libraries and more books were added to our school library.
We hope to have the same success this year and look forward to seeing you there
