"Treat others the way you would like to be treated yourself"

20th November 2026

Message from Mrs Procter

We were delighted to listen to our school council lead our Anti-Bullying Week assembly on Monday morning. The children shared a wonderful message and we were incredibly proud of the important points discussed. We reminded everyone that bullying is never tolerated at Christ the King and explored the difference between having a disagreement or falling out with friends and what constitutes bullying. It was a great opportunity to reinforce the importance of kindness, respect and looking after one another.

Today, everyone has been wearing their odd socks to celebrate our differences and remind us that it is absolutely okay to be different! After all, the world would be a very boring place if we were all the same. We hope the children have enjoyed joining in and celebrating what makes each of us unique.

Meanwhile, Christmas preparations are well underway, with the children beginning to practise for their Christmas productions. I am sure many of you are already hearing songs being sung and lines being rehearsed at home. We are looking forward to sharing these special performances with you all. Please make sure you check the newsletter carefully for the dates and times of each performance.

A quick reminder that each child will be allocated two places for their Christmas production. A list of allocated places will be checked at the entrance to each performance.

We are looking forward to a very busy and exciting few weeks ahead, filled with kindness, celebration and Christmas cheer.

On Sunday we are holding our family Mass to celebrate the feast of Christ the King, it would be lovely to see as many families as possible attending Mass at 11:00. Please try to come and join us.

Weekly Reflection

Prayer is a very important part of our daily life at Christ the King. It gives us the opportunity to pause, reflect and take time to talk to God, sharing our thoughts, worries, hopes and thankfulness with Him. We encourage the children to understand that prayer is not just something we do at school or in church but something that can be part of our everyday lives.

Throughout school, we have been discussing the importance of inviting God into our lives and allowing His love to guide us in everything we do. We remind the children that, with God by our side, we are never alone. His love gives us the strength, courage and confidence to face challenges, overcome difficulties and show kindness to those around us.

We have been exploring the message that through God's love, we can do anything. When we put our trust in Him, believe in ourselves and support one another, we can achieve wonderful

things. We hope that our children continue to carry this message with them, remembering that God's love is always there to guide, encourage and strengthen them, wherever life takes them.

Jesse Tree

This Advent, we are revisiting stories from the Jesse Tree. It is an old Christian tradition that first started in medieval times. It tells stories in the Bible from Creation to the Christmas Story. It is a lovely tradition that gets its name from Jesse who was the Father of the great Jewish King David. One prophecy in the Bible, in the book of Isaiah, says: "A shoot will come up from the stump of Jesse; from his roots a branch will bear fruit." A branch is a sign of new life and new beginnings. Jesus was a descendant of King David and Jesus is this new branch. Let us all remember what is important and the real reason for this festive season.

Feast of Christ the King Family Mass

On Sunday 22nd November we are having a family Mass with the parish at 11am in church. All are welcome. We look forward to celebrating the Feast of Christ the King with our school and parish community.

Today, Fr Humphrey came into school to tell us a little more about Christ our King.

Wonderdome- FS2, Y1, Y2 and Y5

On Friday 4th December, Wonderdome will visit our school for the day. Children will experience a closer look at our solar system and explore more about what exists beyond our planet, in an inflatable planetarium. This experience links to many curriculum areas taught across multiple year groups and will give the children a memorable experience.
A cost of £3.40 will be made live via ParentPay

Plea from The Eco Council

The Eco Council have been planting bulbs in the prayer garden to brighten it in the spring. If you have any spare bulbs you could donate for us to plant around the school, we would be really grateful - please send them to Mrs Haigh's classroom - FS2.
Many thanks

11.11.26 Bulb planting in the prayer garden - in conjunction with our Mini Vinnie team this will brighten up our garden and add some early flowers for the insects next spring.

Whole School Christmas Cinema Trip

On Monday 14th December, CtK will be taking over the Odeon cinema in Bromborough as we will be going for the morning to watch some Christmas films. The children will be split across the screens and will watch an age-appropriate movie. We will of course be having our usual chocolate treat! The PFA have very kindly offered to pay for the coaches, so it means that the cost of this trip is £8.00.

***Payment and consent are live on ParentPay to complete before 1st December.**
