

What adventures have we been on this week?

Week beginning 8/9/25

Book of the week– Quest

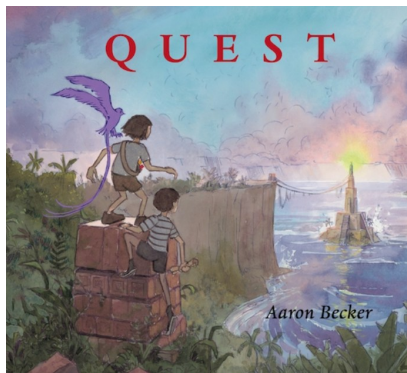

Word of the week– Magic

Phonics

This week we have started the RWI program (Read, Write, Inc).

Sounds learnt this week: m, a, s, d.

As the children learn these sounds they will bring home a handwriting sheet to practise the formation of these sounds daily. Each child has been given a set 1 sound book in their bag. These are for you to use at home for practise as and when the children learn a new sound.

Our Adventures

I would like to start by saying on behalf of the team that we are incredibly proud of how all the children have settled into the school routines. This week we have been embedding our rules and routines and the children have been getting to know their learning environment. As part of our curriculum learning about different cultures and religions we have started off by learning about 'what is the bible' and why some people think it is an important book. Next week we will be learning all about our family. Please send in some photographs of your child's family either in picture form or on class dojo to support us with this topic.

Literacy

This week we have been looking at the picture book 'Quest' as part of our whole school writing project. The children have been really engaged with this book and have been drawing their own magical pictures to come to life.

Notices

Next week: Clubs start.

Tuesday 23rd September:

*Reception and KS1 phonics meeting
straight after school*

Please ensure that your child brings a coat with them to school regardless of the weather as it is very unpredictable at the moment.
