Our Adventures

This week, we had an incredibly exciting visit to the fire station! The children were thrilled to meet real-life firefighters and learn all about the important jobs they do. They got the chance to *squirt water from the big fire hose*, try on the *firefighter helmets*, and even *climb aboard a real fire engine*!

We've also been continuing our *My Happy Mind* journey, learning all about *Team HAP* and just how *amazing* and *big* our brains really are. In our SCARF lesson, we've been exploring the importance of care and kindness towards our friends.

Literacy

This week the children have started reading a new text called '*Peace at last*'. They have drawn new inventions for Mr Bear and have been labeling their pictures using initial sounds that we have learnt.

Maths

This week in Maths we have been learning all about subitising 1, 2, 3 and making our own with paint. We have also been learning all about 'big' and 'small'.
