

# What adventures have we been on this week?

Week beginning 2/9/26

*Book of the week— The Colour Monster*

*Rhyme of the week— Head, Shoulders, Knees and Toes.*

## Maths

*This week in maths, we have been singing lots of number songs. We have also been looking at and exploring the resources we will use in our lessons, including numicom, dice and counting objects.*

## Literacy

*We have been looking at the book 'The Colour Monster' this week.*

*Our phonics lessons will start next week. Our literacy book will be 'The Something', we are very excited to explore the story and find out what happens. All children have come home with a reading record to record books read at home.*

## Our Adventures

*Our teachers are Miss Peak and Mrs Jones*

*I would like to say on behalf of the team that we are incredibly proud of how all the children have settled into the school routines. This week we have been embedding our rules and routines and the children have been getting to know their learning environment. We have been looking at our school rules, 'Ready, respectful and safe' and we have been discussing what this means and how we can follow them in school.*

*As part of our topic 'All About Me' we have been talking about different families. We have drawn pictures of our family and people important to us to make a display.*

*We met our Year 6 buddies and enjoyed reading with them and spending time together in the garden. We would love it if you could send in a photo of your child reading their favourite books, either via Dojo or in person, we will add them to our book area display.*
