

Child Friendly Online Safety Policy

Be Ready, Be Respectful, Be Safe Online!

Be READY

-  I ask an adult before going online.
-  I know my logins and keep them private.
-  I know what to do if something online makes me feel worried or upset.

Be RESPECTFUL

-  I treat people online how I want to be treated.
-  I listen to adults and follow our school's online rules.
-  I understand that everyone is different and that's okay.

Be SAFE

-  I keep my personal information private (like my name, address, or school).
-  I don't make friends with strangers online or click on unknown links.
-  I tell a trusted adult if I see something that doesn't feel right.
-  I know it's good to take a break from screens.

Say NO to Cyberbullying

-  I never send unkind messages or leave my friends out online and I will make sure my friends don't either.
-  If someone is being unkind online, I don't reply — I tell an adult.
-  I help others feel safe and included online.
