

What have we been learning this week?

Week beginning 17/11/25

We have been busy this week exploring the frost and snow; we learned that the sun melts the ice and that we need to dress very warm when it's icy or frosty. We made frost pictures and used our own words to describe it. We made wind socks and have been mark making in co-co. We have been playing with sounds and are making parents with sounds together.

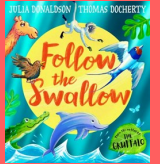

Book of the week: **There's an alien in your book**

Rhyme of the week: **Five little men in a flying saucer**

Word of the week— **different**

Literacy

We continued to read the story about the two friends and how one has flown a long way away. Will he get the message

Math's

We have been matching the correct numbers to the quantity of items and we have been counting groups of items. We have been singing 5 little men in a flying saucer and making puppets of them.

Next Week

We will be learning about the Christian nativity story of Jesus and why we celebrate Christmas. We will explore sensory props and items from the story. We will compare and contrast sizes of presents and begin to make Christmas decorations.

Please join us next Friday at our Frost Fair, 4-8pm in the main hall to make a lantern for Sunday's lantern parade in the village.
