

What have we been learning this week?

Week beginning 24/11/25

We have had a wonderful week learning about the nativity story; we have been investigating sensory props and items from the story. We have love comparing and discussing the presents; there sizes, weights and sounds. We have been counting them and learning how to stack them to get good balance. We have been using our fine muscle skills to decorate Christmas baubles for the Christmas tree at St Oswald's.
