

# What have we been learning this week?

Week beginning 19/1/26

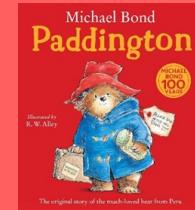

What a wonderful week we have had discussing 'Malpas' in comparison to London. We watched videos of London landmarks and looked at a map of London (A birds eye view!). We build a hide this week for watching birds, we made bird feeders and our own binoculars for watching the birds. We made marmalade sandwiches this week after watching Paddington make marmalade.

## Literacy

We have read about Paddington meeting the Brown family and Mrs. Bird. We discussed our family's and if we would welcome a bear.? Where would he sleep?

## Math's

For math's this week we have been discussing sizes and comparing small and tall, long and short. We have build towers counting bricks and have been measured lengths using string and foot steps.

## Next Week

We will be discussing emotions. Looking at where Paddington is from on the world map and comparing it to where we live. We will be making and building with different materials and evaluating which works best. We will be counting items of fruit for our snack; two apple, three crackers, four cheerio's and five raisins. We will create and label the parts of a bear and will be visiting the trim trail to do some climbing.
