

What have we been learning this week?

Week beginning 20/4/26

Welcome back! We hope you had a wonderful Easter break and are ready for our Summer term. The children have returned to Nursery ready for learning and we are happy to oblige; we have been making water slides, creating dens and making our own houses out of duplo. We have begun planting our sunflowers this week and are very excited about the new edition of a fish tank in nursery. We have been discussing how we need to care for our new class pets.

Book of the week: **I went to the Zoopermarket**
Song of the week: **How much is that doggy in the window?**
Word of the week: **quick**
Sound of the week: **M**

Literacy

We have been reading **I went to the Zoopermarket** and we have been looking for things that start with the 'Mmmm' sound. We begun learning a letter a week this term starting with 'M'.

Math's

For math's we have been counting and stacking groups of number blocks. We have been writing numbers and matching groups of items to the correct number.

Next Week

We will be learning about Africa next week and considering the animals that live there. We will create an African small world and have a go at African drumming and dancing. We will do some African arts. We will continue to plant our sunflowers and learn about the different parts of a sunflower.

Book of the week: **Hippo Has a Hat**
Rhyme of the week: **Down in the Jungle**
Word of the week: **Short**
Sound of the week: **S**
