

# What have we been learning this week?

Week beginning 27/4/26

What a busy week we have had! We have all planted a sunflower and have been doing a great job of taking care of them. We have created an African small world and been painting African art. We did a 'Walking through the Jungle' inspired exercise in the hall and have enjoyed drawing different animals that we like. We have been labeling the different parts of a sunflower plant.

Book of the week: **Hippo Has a Hat**  
Song of the week: **Penguin Dance**  
Word of the week: **Short**  
Sound of the week: **S**

## Literacy

An animal visited our classroom, and made a mess! We discussed what it might be and put posters up around the school to warn the other children. After a great start this week our RWI sound is 'S'.

## Math's

For math's this week it has all be about identifying number groups on a dice. We have been playing dice games and matching the numbers to the right number symbol or amount.

## Next Week

We will be learning about our local Bakery shop; we will take a trip to meet Mr. Huxley and discuss how long the bakery has been in our village. We will look at the items in the bakery and create our own shop in the roll play area. We will learn about our bedtime routine and put pictures in the right order. We will make boats to see if they float or sink and finally we will begin an Van Gough inspired art display of Sunflowers.

Books of the week: **5 minutes to bed**  
Rhyme of the week: **A sailor went to sea, sea, sea**  
Word of the week: **Side**  
Sound of the week: **A**
