

# What have we been learning this week?

Week beginning 11/5/26

We celebrated Sir David Attenborough's 100th birthday by having an explorers day. We had a wonderful walk and discussed different buildings around us, we questioned what was different and similar to our own homes. We drew pictures of our homes and talked about our family that live with us. We have been learning about bears this week,

Books of the week: **Mrs. Blackhat and Bumble Bear**  
Rhyme of the week: **When you want to make a spell**  
Word of the week: **same**  
Sound of the week: **d**

## Literacy

We have been learning facts about bears this week. We have discussed how we care for our own pets and wrote a list of jobs we do to care for our fish.

## Math's

For math's we have been following Mrs. Blackhat's spells - 2 frogs, 3 nettles etc.... (Use garden kitchen)

## Next Week

We will be planning a teddy bears picnic to the park. We will write what we need and discuss road safety. We will reflect on planting our sunflower seeds and look at them now; how much have they grown? How can we help them to continue to grow? Can we predict how big they are going to grow?

Books of the week: **Bathroom Boogie**  
Rhyme of the week: **Five Green Bottles**  
Word of the week: **small**  
Sound of the week: **n**
