

What have we been learning this week?

Autumn 1—Week beginning 06/09/26

We have had a fantastic first full week in nursery! We have been playing birthdays with our lavender play-dough and have all been creating spotty pictures for international dot day; our art is on display for you to see in our class room. We have been exploring in the garden and have been mark making on the ground, and with white boards.

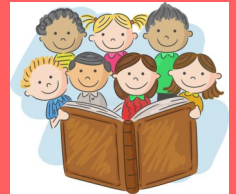

Book of the week- **Who are you?**

Rhyme of the week- **Circle song and Humpty Dumpty**

Word of the week- **after**

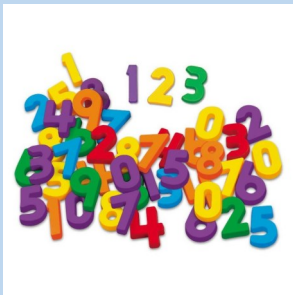

Literacy

We have introduced The gingerbread man (we ate one for snack on Friday!). We looked at the front and the back of the book for clues.

Math's

We have been learning about 'Big' and 'small' this week with a story about a big dog and a small dog; doing actions and choosing big/small items.

Next Week

Our focus next week will be 'now' and 'next' learning the routine of the day. There will be gingerbread play-dough for the children to make their own gingerbread men and we can stencil gingerbread people. We will talk about people who are important to us.
