19/11/26 - 4C Class Assembly - 8.45am - KS2 Hall

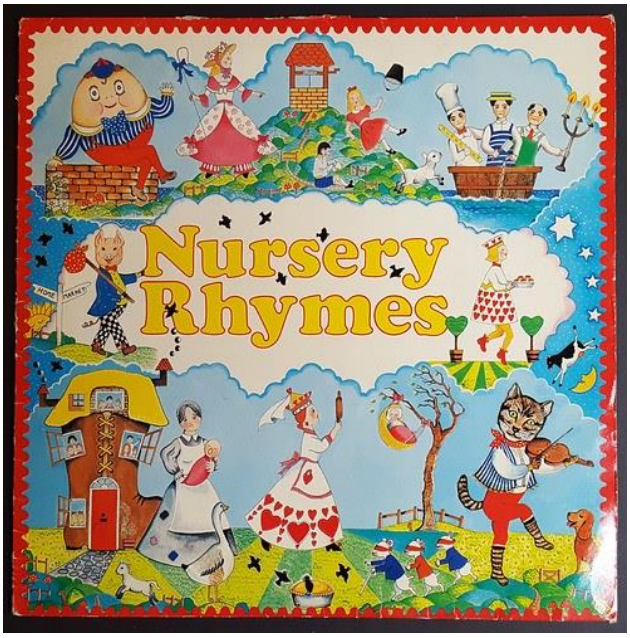
25/11/26 - 2C Class Assembly - 8.45am - KS1 Hall

27/11/26 - 3E Class Assembly - 8.45am - KS2 Hall

02/12/26 - 2N Class Assembly - 8.45am - KS1 Hall

03/12/26 - 5M Class Assembly - 8.45am - KS2 Hall

Reception Nursery Rhyme Day



Reception children had a wonderful day dressed as their favourite nursery rhyme characters. We saw a fantastic variety of costumes, from Incy Wincy Spiders and Little Lambs to Humpty Dumpty, Jack and Jill, and Twinkle, Twinkle Little Star. They all looked amazing!

A huge thank you to our parents and carers for the time and effort you put into dressing the children up. The children enjoyed a superb day of interactive learning, taking part in a carousel of activities around the Reception unit. They practised movement through Jack and Jill, went on an Incy Wincy Spider hunt, completed a Humpty Dumpty jigsaw and developed their fine and gross motor skills through a range of nursery-rhyme-themed activities.

Health and Safety Reminder

We have noticed that some children are walking from the parking bays on Whinney Lane car park without an adult, and that some are running ahead of their parents and carers at the end of the school day. The car park is very busy, with vehicles moving throughout the area. For everyone's safety, please accompany your child between the car park and school, and keep them with you at the end of the day until you have reached your car safely. Thank you for helping us keep all our pupils safe.

Open Evening

We were delighted to welcome so many families to our successful Open Evening for our Reception 2027 intake. It was lovely to meet many new families who had heard about our recent Ofsted success and were keen to see the school for themselves.

Visitors were impressed by the space and facilities available to our pupils, our bright and engaging classrooms, and the learning areas around the school. They also admired the high standard of work on display and the high expectations we have for every child.

Our Year 6 guides were wonderful ambassadors. Families were impressed by their confidence, eloquence and excellent manners as they showed visitors around.

A big thank you to all the staff and pupils who helped make the evening such a success. A special thank you to our governors, who also attended and they did a great job in promoting our wonderful school.

Class Assemblies

Our class assemblies have been launched this week. Pupils and staff are looking forward to sharing their learning with you. They're a lovely opportunity for parents to see how much the children have learnt over the half-term across different areas of the curriculum, and how our topic-based approach brings that learning together. Class assemblies also help pupils develop their oracy skills and confidence when speaking to an audience. We look forward to welcoming you!

Please ensure you arrive on time for the assemblies as it is very distracting for the children if parents arrive part way through the assembly.

Thank you!

Lammack Community Primary School

For your donation of 270.5 kg to Blackburn Foodbank for Harvest 2026.

Your donation will help us support the people of

Blackburn with Darwen who **need it the most.**

Soluna by Kooth - A Mental Health Service

One line service description
Soluna by Kooth - an evolution of the established Kooth service - is a free, self-referral mental health platform for children and young people, offering BACP-accredited one-to-one text chats with qualified practitioners, self-help tools, and pre-moderated peer communities.

SolunaByKooth.com

Soluna by Kooth is the next chapter of the trusted, safe, and free mental health support Kooth has provided to young people for over 25 years. Available as an app or through any web browser, the service gives children and young people a safe space to manage their mental health and wellbeing.

Provided in partnership with the NHS and local councils, Soluna retains the same clinical model, safeguarding standards, governance and professional support, but with a new look and feel. It offers BACP-accredited one-to-one text chats with qualified practitioners, evidence-based self-help tools and pre-moderated peer communities. No referral is required, and there are no waiting lists.
