Hindley All Saints' CE Primary School Newsletter

Transforming Teaching, Learning and Community through the Gospel Values of Thankfulness, Love and Compassion

Thank you to those who joined us for Year 4's Harvest service in church on Thursday. They looked as if they were thoroughly enjoying themselves and were elated to be sharing it with all of you. They spoke so well, sang beautifully and performed with great expression too. Wow, Year 4, we're very proud of you all!

Children are starting to receive their Reading awards now for reading at home and I would like to thank you for supporting your child, and us, with this. I know that time is often very limited in the evenings and fitting in reading isn't always easy, but you would be surprised at just how much listening to your child read at home can impact on their confidence, learning and progress in school. After all, reading is used in every subject and the more practice children get with reading, the better they are able to achieve across the curriculum. Thank you, Mrs Ward.

House Event no.1

The children are loving being in our new Houses and getting very competitive already! Our first House event will be a non-uniform 'Dress in your House colours' day on **Monday 3rd November**. This is the first day back after half term. Children in Borsdane will wear something green; Amberswood will wear something yellow; Rayner will wear something red and Haigh will wear something blue. Even one item of their House colours would be fine – please don't go out and buy new outfits. The staff will be joining in too.

Reception Class September 2027

If you know anyone who has a child who will be starting Reception next September, it would be great if you could share the information below with them about our open afternoons and open evening. We'd love to meet them and their children. We also have spaces in Nursery for immediate, January or April 2027 start.

Absence

Thank you for your support in reporting your child absent so promptly. Please also note that if your child is absent due to illness, we are required to ask what the nature of the illness is, as advised by our local authority Attendance Officer. Thank you.

Book Fair!

The book fair is back from Wednesday 4th November to Tuesday 10th November. Opening times and more information to follow...

Water Bottles

Just a reminder that it is fine to send a clear bottle into school containing water; however juice is not permitted. All children have access to fresh drinking water and clean cups during the school
