Hindley All Saints' CE Primary School Newsletter

Transforming Teaching, Learning and Community through Thankfulness, Love and Compassion.

Romans 12:2 'Be transformed by the renewing of your mind.'

It was lovely to see all our children and staff back in school this week and what a fantastic start to the new half term we've had! Y3 and Y4 took part in road safety awareness training and the instructors were blown away by their super attitude and behaviour. All classes have been continuing with their Transformation sessions and Y5 and Y6 had a great time building dens in our outdoor area together. Y2 collected the autumn leaves and used these to make poppies for their work on Remembrance. Y1 performed perfectly on their Phonics assessment and our youngest children, in Nursery and Reception, have been experiencing Diwali and firework art.

Safeguarding and Attendance

Please remember to inform school as soon as possible if your child is absent. This is an important part of safeguarding, as we need to know that every child is safe and accounted for. This is particularly important for children who travel to school independently but applies equally to all pupils. If we are not informed of an absence and cannot contact parents or carers, we may need to carry out a home visit to check on your child's welfare.

Regular attendance is also essential for learning and progress, as even occasional absences can lead to gaps in understanding.

Thank you for helping us keep our children safe and giving them the best opportunity to succeed.

Instagram and Facebook

We are making a move from Twitter (X) to Instagram and Facebook! The Twitter (X) pages will remain, but will not be updated from now on. The old Facebook page, which was not used in the end, has also been deleted and replaced with the new page.

Find us on Instagram **@hindleyallsaints**

Find us on Facebook **Hindley All Saints' CE Primary and Nursery School**

Give us a follow to keep up to date with everything happening at school! We'll be sharing weekly posts, stories and highlights, celebrating our children's learning, achievements and all the wonderful things taking place in our school community.

Homework

We would like to remind parents and children of the importance of completing homework each week. Children are expected to practise their spellings and read at least three times per week at home. Regular reading and spelling practice play an important part in helping children make progress, build confidence and secure the skills they are learning in school. Please ensure that homework is completed and returned on time. Where homework has not been completed, children will be expected to use some of their playtime to catch up. Your support in establishing good homework routines at home makes a real difference to your child's learning and progress.

Thank you for your continued support!
