St Wilfrid's
Catholic Primary School

19th October 2026

Dear Parents and Carers,

We are delighted to share our recently published Ofsted report following our inspection on 29 and 30 September.

The report recognises many strengths across St Wilfrid's, with the Expected standard achieved in every evaluated area and our safeguarding standards met. Inspectors highlighted that pupils achieve well, feel safe and flourish at St Wilfrid's. They recognised our calm, friendly school, positive behaviour, inclusive curriculum and the effective support provided for pupils with SEND and those who may face barriers to learning. The report also notes that parents are very supportive of the school and particularly value the support pupils with additional needs receive.

Most importantly, the report captures something we see every day at St Wilfrid's: the respectful relationships, sense of belonging and strong Catholic values of welcome, respect and care that are at the heart of our school.

Thank you to our wonderful children, who represented St Wilfrid's so positively and showed inspectors what makes our school such a special place. Our sincere thanks also go to our dedicated staff and governors for everything they do for our children, and to you, our parents and carers, for your continued support, encouragement and trust.

We are very proud of the report, while remaining committed to continuing to improve so that every child can continue to flourish.

With sincere thanks,

Justine McEniff
