Helsby Hillside Primary School WEBSITE USER STATEMENT

In accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018, all UK service providers have a legal obligation to make reasonable adjustments under the Equality Act 2010 or the Disability Discrimination Act 1995 (in Northern Ireland). Schools are partially exempt from the accessibility regulations except for content people need in order to use their services (for example a form which lets you outline school meal preferences).

We incorporate website accessibility standards into the design and maintenance of our website to ensure accessibility for all people regardless of ability or method of access.

What we're doing about web accessibility: To help us make our website a positive place for everyone, we've been using the Web Content Accessibility Guidelines (WCAG) 2.0 from the World Wide Web Consortium (W3C). These guidelines explain how to make web content more accessible for people with disabilities, and user-friendly for everyone.

What we're doing about web user accessibility:

Our website is a content managed site and is managed by Helsby Hillside Primary School. We have done our best to ensure as many people as possible are able to use this website. For example, that means you should be able to:

- Zoom without the text spilling off the screen on Chrome and Firefox
- Change colours, contrast levels and fonts – To actively be able to do this on the website, users would have an accessibility plugin on their browser.
- Hide movements on web pages - To actively be able to do this on the website, users would have an accessibility plugin on their browser.
- Change all fonts to a readable font. This can sometimes assist with text to speech reading applications. To actively do this on the website, users would have an accessibility plugin on their browser.
- Listen to most of the website using a screen reader - The website is coded with accessibility in mind with clearly defined sections.
- Navigate most of the website using just a keyboard or with accessibility plugin on their browser.

With kindness, respect and gratitude, together we aim high in all we do.

- Navigate most of the website using speech recognition software using an accessibility on their browser.

We have also made the website text as simple as possible to understand.

Receiving Additional Help:

Most popular browsers and plugins contain built-in accessibility tools and features.

For more information, please visit the accessibility information pages for these tools:

- Google Accessibility for Chrome Browser
- Microsoft Accessibility for Internet Explorer Browser
- Accessibility Information for the Firefox Browser
- Accessibility Information for Adobe PDF Reader

In addition, we support assistive screen reader technology from JAWS, NVDA, and Apple VoiceOver.

Additional Information: If you'd like to receive additional information on the web accessibility guidelines, visit [this website](#)

If for any reason you cannot access any of the material on our website, please email Julie Ellis at admin@hillside.cheshire.sch.uk and we will work to resolve the problem as soon as possible.
