The ten governors form The Governing Body which has overall responsibility for the school and for setting its policies. The day-to-day management of the school is delegated to the Headteacher, although governors involve themselves in the life of the school as much as possible and at a strategic development level.

The governors work through the sub committees covering Teaching, Learning & Curriculum, Finance and Premises (incorporating Health & Safety), Grievance Appeals, Personnel, Raising Attainment and Safeguarding. The Governing Body as a whole meets at least once a term.
