

# Pupil Premium Policy

---

## Statement of Intent

Willow Wood Community Nursery & Primary School is committed to ensuring that all pupils achieve their full potential, regardless of background or circumstance. The Pupil Premium Grant (PPG) is used to reduce the impact of disadvantage by addressing barriers to learning and promoting high aspirations for all eligible pupils.

We recognise that pupils entitled to Pupil Premium may face a range of challenges which can affect their learning, confidence, and wellbeing. This policy outlines how the school plans, allocates, monitors, and evaluates the use of Pupil Premium funding to ensure it has a positive and measurable impact.

## Aims and Objectives

The school aims to use Pupil Premium funding to:

- Raise attainment and progress for pupils eligible for Pupil Premium.
- Close attainment gaps between disadvantaged pupils and their peers.
- Support pupils' social, emotional, and mental wellbeing.
- Improve attendance and engagement in learning.
- Ensure equality of opportunity and remove barriers to learning.

## Pupil Premium Funding

The Pupil Premium Grant is allocated by the government to schools to support pupils who meet one or more of the following criteria:

- Pupils eligible for Free School Meals (FSM), including those eligible in the past six years (Ever 6).
- Looked After Children (LAC).
- Previously Looked After Children (PLAC).
- Children of service families (Service Premium).

Funding levels are set annually by the government and are reviewed each financial year.
