Our Curriculum Statement

Curriculum

Our Curriculum Statement

Sutton Green Primary is committed to meeting the requirements of the primary National Curriculum with a broad and balanced approach.

Our schemes of work reflect the content and challenge of the curriculum. Teachers have received training in key areas of curriculum change and provide good curriculum provision.

The curriculum is taught with the consideration of the needs of all learners. It is exciting and will inspire children to nurture a passion for learning.

Our curriculum includes supporting children to develop life skills such as empathy, consideration, determination and resilience. We achieve this through our behaviour culture of being READY, RESPECTFUL and SAFE.

To enable our curriculum to be effective, we foster adult-pupil relationships through nurture, consistency and a trauma-informed approach.

We assess pupils in a variety of ways so that our curriculum meets their needs. This occurs through a balance of formative methods (e.g marking and feedback) and summative methods (e.g. regular testing and gap analysis).

Curriculum intent

Here at Sutton Green Primary School, it is our mission to offer a broad and balanced , enriching curriculum to all children. We believe a child's education should be fun, exciting, challenging and varied. We strive to provide this with passion and rigor. We offer high quality teaching to facilitate this outstanding curriculum. We ensure this through effective CPD, rigorous supportive monitoring and workload awareness.

Year 1/2 - Cycle B - 2025/2026

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Pathways to Write	Lost and Found by Oliver Jeffers	Nibbles by Emma Yarlett	The Lion Inside by Rachel Bright	The Curious Case of the Missing Mammoth by Ellie Hattie	Somebody Swallowed Stanley by Sarah Roberts	Goldilocks and just the one bear by Leigh Hodgkinson

Information text - Non Chronological writing Greater Depth Sections on protections	Fiction: story based on the structure of <i>Goldilocks and just the one bear</i> . Greater Depth Change the animal and the setting
Ready Steady Phonics	Our Phonics curriculum is designed to provide a broad and balanced education that meets the needs of all children. We follow the award-winning Ready Steady Phonics by Literacy Counts, a DfE-validated systematic synthetic phonics programme designed to ensure all pupils become fluent, confident readers. The programme is research-informed and impact-proven, supporting children in developing the knowledge and skills needed to decode, comprehend and enjoy reading. The progression document ensures that phonics is taught daily through a clear four-part lesson structure that builds children's understanding incrementally. Children are taught to apply their phonics knowledge in both reading and writing, supported by matched decodable texts available in print and online. Children who require additional support access targeted intervention through Ready Steady Go sessions, ensuring no child is left behind.					
Pathways to Read (Year 1)			Koala who Could by Rachel Bright	Friendly Mammoth by Anna Terreros Martin	Commotion in the Ocean by Giles Andreae	Little Red Riding Hood by Mara Alperin
