This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

At Sutton Green we use the Charanga scheme of music, following the National Curriculum for Music on a rolling curriculum for mixed year groups. Music is taught equivalent to one hour a week. KS1 and KS2 children have the opportunity to learn to play the glockenspiel within lesson time.

SEND children requiring extra support will be supported by additional adults to access whole class music lessons or a differentiated music session to meet their needs.

Part B: Co-curricular provision

At Sutton Green we offer the opportunity for children EYFS-Year 6 to participate in parent-paid 1:1 or group music lessons in guitar, piano, vocals or drums with Musicly and we have regular performances for a whole school audience from our Musicly trained children.

At various times during the year, we also provide clubs for children to take part in, including teacher-led ukulele and drum lessons.

We have a popular and inclusive school choir for Years 2-6, which performs annually at the Amasing concert and local care homes. Through being in partnership with Amasing, we are offered places to send children on music workshops and have received whole school music workshops.

We have a partnership with Love Music Trust and through this receive First Access brass instrument tuition for our Year 4s.

Part C: Musical experiences
