Maths	Writing		Final Piece	Writing		Final Piece	Celebration: Geneticons Project (RS)
Fractions, Decimals & Percentages (CLM);	P- To entertain A- Themselves T- Recount F- Diary	Explicit Objectives: Some present tense when writing about current thoughts/feelings Higher level time fronted adverbials Parenthesis using brackets, dashes and commas to add additional information	Diary/Journal of Syms Covington, Cabin Boy on the HMS Beagle	P- To inform A- Their parents T- Biography F- Booklet	Explicit Objectives: adapt writing to distinguish between the language of speech and written texts and choose the appropriate register (formal/informal, personal/impersonal) for example, question tags in informal passages; select suitable punctuation and precise vocabulary when writing.	Biography of Charles Darwin/Mary Anning or Alfred Wallace	
Statistics (RS)	Evolution & Inheritance (CLM) Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution			Be introduced to the idea that characteristics are passed from parents to their offspring i.e. different breeds of dogs and what happens when e.g. Labradors are crossed with poodles Appreciate that variation in offspring over time can make animals more or less able to survive in particular environments, e.g. how a giraffe's neck gets longer Find out about the work of palaeontologists such as Mary Anning and about how Charles Darwin and Alfred Wallace developed their ideas on evolution			End Point Enquiry Question: Why is evolution still classified as a theory?
