

Year 4: Secrets of the Forest

Please bring projects in to class to add to our display. You could also email photos if that is appropriate!

<p>Create a collage using natural materials from a forest or your garden.</p> 	<p>Go for a walk along a river can you identify any features of the river.</p> 	<p>Investigate endangered animals and create a poster to help protect them.</p> 
<p>Bake a 'rivers' cake.</p> 	<p>Write a story set in a woodland or river habitat.</p> 	<p>Design and create your own Tin Forest in a shoebox (as a diorama) or on a sheet of paper. Include trees, plants, flowers and animals.</p> 
<p>Go for a walk in the woods and build a den either for yourself or for an animal.</p> 	<p>Make your own set of 'Tops Trumps' cards about different trees or animals.</p> 	<p>Produce a classification key for a group of plants or animals of your choice.</p>  <pre> graph TD Vertebrate[Vertebrate] --> Q1{Does it have fur?} Q1 -- Yes --> Mammal[Mammal] Q1 -- No --> Q2{Does it have feathers?} Q2 -- Yes --> Bird[Bird] Q2 -- No --> Q3{Does it have scales?} Q3 -- Yes --> Reptile[Reptile] Q3 -- No --> Q4{Does it have a dry skin?} Q4 -- Yes --> Amphibian[Amphibian] Q4 -- No --> Q5{Does it have a moist skin?} Q5 -- Yes --> Fish[Fish] Q5 -- No --> Invertebrate[Invertebrate] </pre>
