

Choose your homework from the menu below:

The peri-ometer suggests the difficulty or challenge the homework may offer. Each half term we ask you to complete at least two of the tasks from the table. We expect high quality work which shows research, thought and care with presentation. Bring your homework back to school on the last Monday of each half term to share with the class and the rest of the school. You will receive a new homework matrix every half term.

Write a diary entry as if you were a child living in the Stone Age. Describe your day, what you ate, and how you survived English	Design and make a Stone Age tool or piece of jewellery using materials you can find at home DT	Compare life in the Stone Age to life today. What are the biggest differences in homes, food, and travel? Geography
Create a cave painting using natural colours or chalk. Think about what animals or symbols Stone Age people used. Art	Compose a rhythm or song that Stone Age people might have used during a hunt or celebration. Music	Use PurpleMash or other drawing app to create a digital cave painting. Computing
Research and explain what early humans might have believed about nature or the world around them. RE	Create a short "Stone Age survival workout" (e.g., crawling, lifting, running) and try it out! PE	Imagine you are trading in the Stone Age. If one spear costs 3 stones and a fur costs 5 stones, how many stones do you need for 4 spears and 2 furs? Maths
If you lived in the Stone Age, what would you need to survive? List at least 5 things and explain why. Science	Free choice! Choose anything you have been learning about in class and research it more. Present it in a form of your choice.
