## Christmas Lights

Have you put your Christmas decorations up yet? The other night I went by a row of houses who all had identical lights up on their eaves. It was very impressive. There is always the really amazing house in your area, the one that outdoes everyone else. I mean the lengths people go to decorating their houses is quite something. There are times when you just have to go, 'Wow, fair play, I can't compete with such brilliance.' But then we are not supposed to really.

Christmas never was a competition about who has the best house. I mean nothing we do here on earth will ever, or could ever, compete with the glory and majesty of heaven. And that is what Jesus gave up to be born on earth. We can't outshine heavenly glory! But Jesus left all the wonder of heaven to be laid in an animal feeding box. Luke recalls how Mary

*wrapped him in cloths and placed him in a manger, because there was no guest room available for them. Luke 2:7*

This was no glamorous palace. Jesus left the glory of heaven and was laid in an animal feeding box. That feeding box had great significance, as the Shepherds were told,

*'Today in the town of David a Saviour has been born to you; he is the Messiah, the Lord. <sup>12</sup> This will be a sign to you: you will find a baby wrapped in cloths and lying in a manger.'* Luke 2:11-12

The manger was a sign Jesus was the Saviour.

The Saviour of the world was to be found in the humblest of places. So, this Christmas, if you want to, go to town with the lights, reflect the angels and stars, the glory of this occasion, but equally remember, you don't have to. Jesus, the Son of God, was laid in a manger, in the simplest of beds.

The Saviour of the World!

## Christmas Prayer

Almighty Father,

Thank you for your indescribable gift of Jesus – the Light of the world.  
Thank you that He brought light and life to all who received Him during His life on earth and that He still brings light and life to all who receive Him.  
Lord, how this broken world needs your light today. As we rejoice and give thanks for Christmas, we pray that the light of Jesus will pierce the darkness of self-interest and hatred – and change the hearts of those who do not love you or their neighbours.

We pray that by the power of your Holy Spirit you will deliver your people from evil, and that Your kingdom will come on earth as in heaven. Thank you, Father, that because of Jesus, light will *always* shine in the darkness and the darkness will *never* be able to extinguish it.

Glory and thanks and praise to You Father God, this Christmas and always. In Jesus' saving and powerful name. Amen.

More than 200 different kinds of wild birds live within our shores – why not help the RSPB to help them? Visit: [www.rspb.org.uk](http://www.rspb.org.uk)

## **Jim's Licensing Service**

On Sunday 16th November a contingent of fifteen members of St Peter's Church attended the licensing of our old friend Jim Britcliffe. It was held at St Andrew's Church in Crewe and the licensing service was taken by Bishop Sam of Stockport. Accompanying him were various members of clergy who all played significant roles during the service. In the congregation there were also two visiting Bishops from the islands of Melanesia, which was a lovely surprise for everyone.

Jim is now Priest in charge of three churches in Crewe, St Andrew's, St Peter's and All Saints. It was lovely to see a full church - the congregation being made up of people from all three churches, plus the group from St Peter's, Minshull Vernon. As well as Jim's family and friends.

Jim had chosen five beautiful hymns; Lift High the Cross, When the deer pants for the water, Love Divine, Thine be the Glory, Guide me O Thou Great Redeemer.

They were interspersed throughout the service and all sung with great gusto. The final one accompanied by children using a collection of percussion instruments.

Bishop Sam, joined by the other clergy, led us through the service, constantly reassuring Jim that he would be well supported in his new role, caring for the varied communities he now serves.

From Jim's description of the services taking place in his churches the following week, it seems like a difficult and complicated task. I really hope he has a good calendar and spread sheet to track exactly where he should be and when.

Once all the formalities were over we were treated to a very delicious array of food. The ladies of the church had definitely been very busy.

Jim was very pleased to see people from St Peter's who'd made the effort to go and support him as our church was where he began his journey into the priesthood.

Jim was very gracious making sure he spent time mingling and chatting with as many people as possible.

It was good to see Mrs Britcliffe (Jim's mum), sitting alongside Debbie and his brother. It was good to catch up with them and hear how things are going.

I'm sure that as he moves forward with his new role, which seems a difficult one, we at St Peter's wish him good luck and will hold him in our thoughts and prayers.

Good luck and God bless you Jim.

## Children Leading Change – A Proud Moment for Our School

For the past three years, a group of our Year 5 and 6 children have been leading research projects linked to actions on our School Development Plan. These projects have shown us just how powerful children's voices can be when they are truly listened to.

Their insights don't just shape their own learning — they influence how we, as a school, grow, adapt, and improve. When children are given the chance to lead, to question, and to share their thoughts, the impact is remarkable. It strengthens our community, enriches our practice, and ensures that every decision we make keeps the children firmly at the heart of everything we do.

Last week, our Head Pupils — Emily, Seb, Rogan, and Oscar — attended the Chester Diocese Senior Leaders Conference to share the research project on Courageous Advocacy they completed last year. They presented twice: first to an audience of 22 headteachers and then to another group of 15. They spoke with confidence, answered unrehearsed questions, and demonstrated the lasting impact of their work six months on.

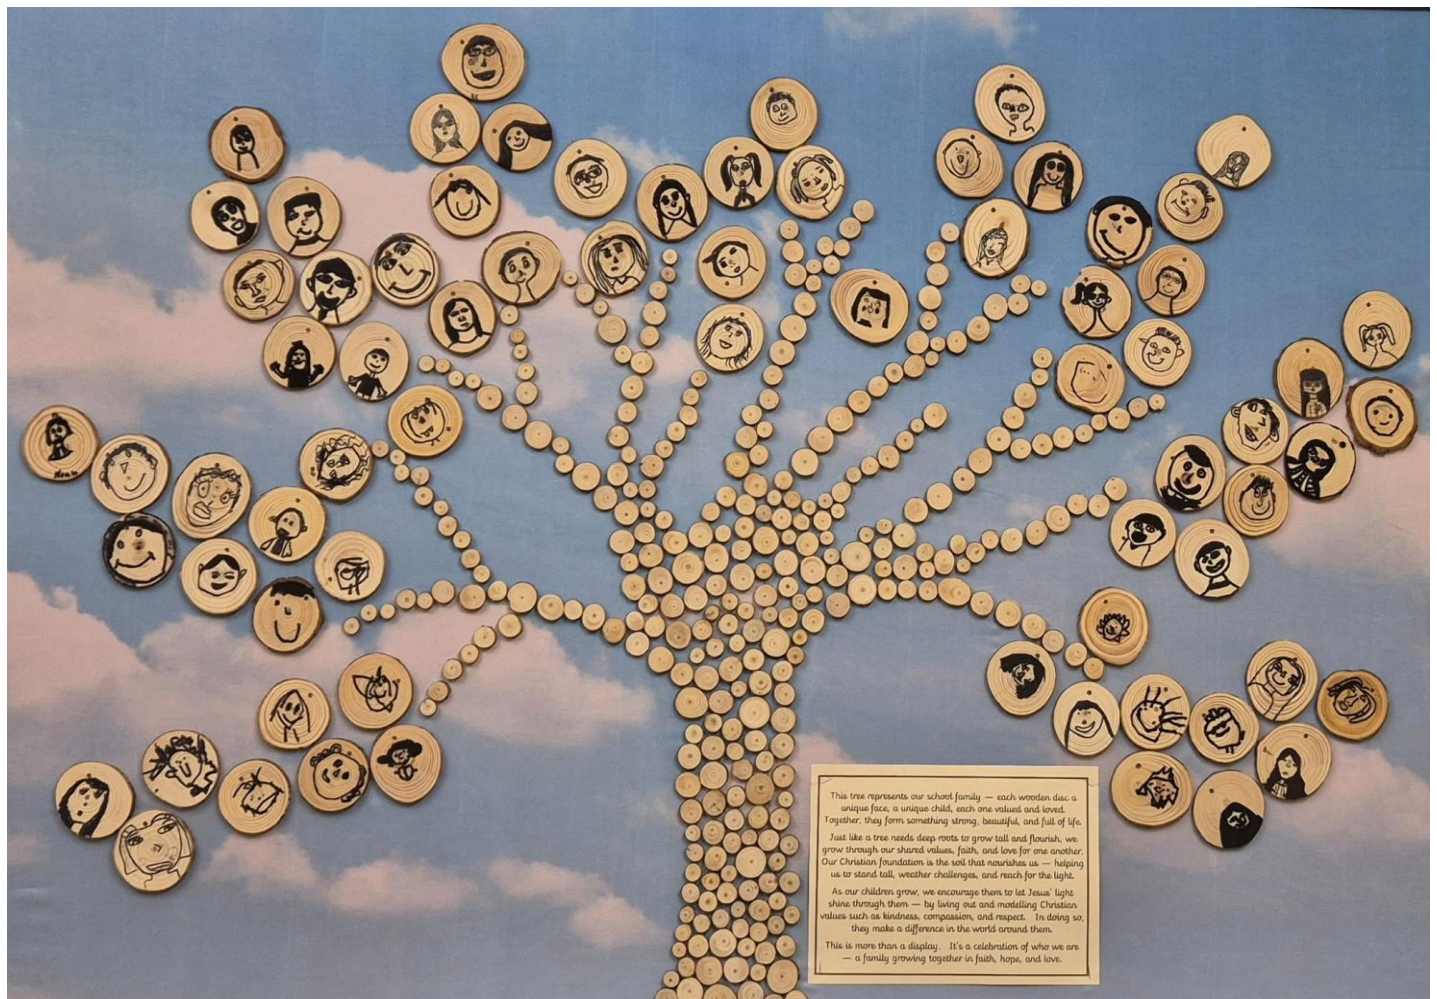

It was, without doubt, one of my proudest moments as a headteacher. They were amazing! Other schools were so impressed by what they had achieved and left feeling inspired to start similar projects in their own settings. One headteacher even said our workshop was the best part of her day.

This work is very special — it shows what happens when we trust children to lead. Proud doesn't even begin to cover it!

This tree represents our school family — each wooden disc a unique face, a unique child, each one valued and loved. Together, they form something strong, beautiful, and full of life.

Just like a tree needs deep roots to grow tall and flourish, we grow through our shared values, faith, and love for one another. Our Christian foundation is the soil that nourishes us — helping us to stand tall, weather challenges, and reach for the light.

As our children grow, we encourage them to let Jesus' light shine through them — by living out and modelling Christian values such as kindness, compassion, and respect. In doing so, they make a difference in the world around them.

This is more than a display. It's a celebration of who we are — a family growing together in faith, hope, and love.
