

Homework Tasks

The homework tasks for this half term are based around our topic of 'Come Outside'. The activities below are provided for your child to choose at least one that supports the learning that we have been covering in school. Please bring the completed tasks into school on Monday 18th May 2026. Where we will showcase everyone's wonderful work. Have fun!

Challenge One -Literacy

Can you write an information leaflet about an animal that lives underwater?

Challenge Four – Physical Development

Can you make your own underwater creature and label their features for being able to live underwater?

Challenge Five – Personal Social and Emotional Development

Can you make a sorry card from the whale for scaring all the fish?

Challenge Two - Maths

Can you collect 20 different items and experiment sorting them into 2 groups? How many different ways can you sort them?

For example, $11 + 9 = 20$

Challenge Three – Communication and Language

Can you log in to your Purple Mash account and complete the set 'to do' task(s)?

'Adventures Underwater'

Pathways Text -The Whale who wanted more
Otters' Class
Summer 1 2026

Challenge Six- Understanding the World

Can you help sort the recycling at home and take some pictures of different materials you sorted such as plastic, paper, metal, glass?

Challenge Seven – Expressive Art and Design

Can you create your own whale? It could be a picture or a model. What different materials can you use?
