

Choose your homework from the menu below:

The peri-ometer suggests the difficulty or challenge the homework may offer. Each half term we ask you to complete at least two of the tasks from the table. We expect high quality work which shows research, thought and care with presentation. Bring your homework back to school on the last Monday of each half term to share with the class and the rest of the school. You will receive a new homework matrix every half term.

Can you create your own monochrome painting? Remember to choose one base colour and create different tints and tones of that colour.	Can you research about Gorillas in Africa? You might want to present your research in a power point, poster or leaflet.
Art	Science / Geography
Write your own story about a dream. Remember, in a story, anything can happen!	Create a PowerPoint about gorillas.
English	Computing
Write you own gorilla themed Maths problems like this: <i>An adult gorilla eats 30kg of plants in a day, and a young gorilla eats 12kg. How many kilograms do they eat altogether?</i> Don't forget to include the answers!	Thankfulness Leaf: Design a "Harvest Thankfulness Leaf or Fruit" on paper. Write or draw three things related to food, nature, or the world that you are thankful for.
Maths	RE
Can you create a wordsearch about African rainforests?	Free choice! Choose anything you have been learning about in class and research it more. Present it in a form of your choice.
