Financial Assistance

All applications for financial assistance are considered sensitively and treated in the strictest confidence. We understand that families may occasionally need additional support to enable their child to access school opportunities, and we are committed to considering every request with dignity, respect and discretion.

Financial assistance may be available through a range of funding sources, including Pupil Premium funding for eligible pupils, the generosity of St Leonard's School House Fund, and grants from organisations such as the Up and Under Foundation. As these funds are limited and intended to support as many children and families as possible, each application is considered on an individual basis, taking account of both financial need and any relevant eligibility criteria.

To protect the privacy of all families and ensure that available support can be allocated fairly and appropriately, we ask that details of applications, decisions and any assistance awarded are not shared with other parents, carers or members of the wider community. We are committed to handling all requests with sensitivity and discretion and greatly appreciate the confidentiality of those who receive support.

If you are experiencing financial difficulties, we encourage you to contact the school in confidence. Our aim is to work in partnership with families to ensure that every child can participate fully in school life and benefit from the opportunities available to them wherever possible.

Residential Trips

Additional financial assistance for residential visits may be available through the Up and Under Foundation, which may contribute up to 50% of the total cost of a residential trip, subject to a successful application.

As part of the Foundation's funding requirements, successful applicants are asked to provide a letter of thanks following the visit. This should be completed by the child at home and returned to school by the date advised.

The Foundation also requests photographs demonstrating the positive impact of the experience. Where funding is awarded, the school will share photographs of your child taken during the residential visit with the Foundation. These photographs may be used by the Foundation in reports, promotional materials, on its website and across its social media platforms.

If you would like to request financial assistance, please complete the application form and return it to the school office in a sealed envelope marked Private and Confidential.

Request for Financial Assistance

Name of Child:	
Class:	
What are you requesting assistance for?	
Total Cost:	
Reason for Request:	
How much would you be able to contribute?	£
For Residential Trips Only: I consent to the school sharing photographs of my child, taken during the residential trip, with the Up and Under Foundation in support of any funding application. I understand that these photographs may be used by the Foundation in its publications, website and social media. I agree to help child write a letter of thanks following their residential trip.
