

**Religious Education**

As theologians, we will learn about why we are different and special?

We will learn that Christians believe that they are loved, valued and made by God.

Physical Development:

We will learn how to negotiate space in the outdoor area and move around objects. We will begin to be aware of others whilst we are running. We will take part in Doh disco and funky fingers activities to develop our fine motor movements in preparation for writing.

Literacy:

As readers, we will retell familiar stories, describe what has happened and anticipate key events. We will use newly introduced vocabulary appropriately. We will learn the set 1 sounds. As writers, we will begin to write the set 1 sounds and make our own marks as emerging writers.

Personal, Social and Emotional Development

We will get to know our new classroom and school and understand the rules we need to follow. We will make new friends and develop positive relationships, taking turns and being aware of others feelings. We will learn about our feelings and how to deal with them. We will learn about Democracy through being fair and taking votes.

**Me and my
family****Otters' Class****Autumn Term****Maths:**

As mathematicians, we will learn all about the numbers to 5 to develop a deep understanding of each number and its composition. We will learn to subitise numbers to 5. We will be able to recall number bonds to 5. We will explore 2D shapes and repeating patterns. We will also sequence events and look at the times of our day.

Communication and Language:

We will listen to our friends and teachers in small groups and during whole class time. We will learn new words in our 'word of the week' and apply this throughout the day. We will be learning new poems linked to our study theme.

Expressive Arts and Design:

As musicians, we will move in time to music and tap out a simple rhythm. We will perform our favourite nursery rhymes. We will learn a new poem every week.

As artists, we will create our first self portrait of the year. We will look at autumnal leaves and vegetables and use them to print. We will mix paints and explore which colours we can make that represent Autumn.

Understanding the world:

As historians, we will look at our houses and compare pictures of houses in the past noticing how they have changed. We will talk about who is in our family.

As scientists, we will begin to look at seasons as we observe Autumnal change.

As geographers, we will learn about where we live, and we will try to remember our street name and house number. Using a street map, we will locate Warmingham School and the church as we plan our route.

Communication and Language:

We will listen to our friends and teacher in small groups and during whole class time. We will respond by asking questions and making comments. We will speak clearly when sharing our weekend news with others. We will try to use full sentences when expressing our ideas. We will learn new words in our 'word of the week' and apply this throughout the day. We will be learning new poems linked to our study theme.

Personal, Social and Emotional Development

We will get to know our new classroom and school and understand the rules we need to follow. We will make new friends and develop positive relationships, taking turns and being aware of others feelings. We will learn about our feelings and how to deal with them. We will learn about Democracy through being fair.

We will go to the toilet by ourselves and try to get dressed with little help.

Physical Development:

We will learn how to negotiate space in the outdoor area and move around objects. We will begin to be aware of others whilst we are running. We will try to use our knife and fork correctly. When holding a pencil, we will try to use the tripod grip and take care when we are drawing. We will take part in Doh disco to develop our fine motor movements in preparation for writing.
