

Homework tasks

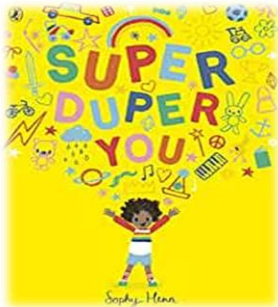

The homework tasks for this half term are based around our topic of 'Me and my family'. The activities below are provided for your child to choose at least one that supports the learning that we have been covering in school. Please bring the completed tasks into school on Monday 19th October 2026. Where we will showcase everyone's wonderful work. Have fun!

Challenge One

Take a family photo then see if you can draw a copy of the photo of your family. Bring them both into school to share

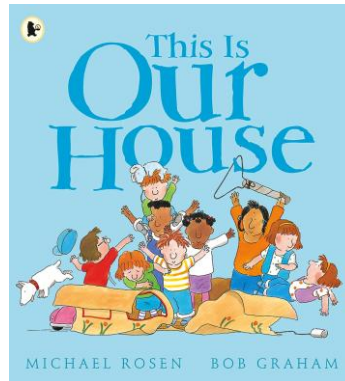

Challenge Two

Go on an autumn walk and see how many different signs of autumn you can see, hear, smell and collect. Bring your finds into school to share.

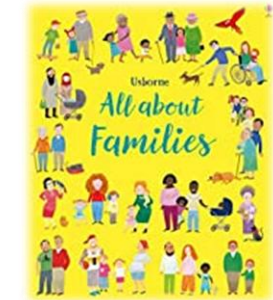

Challenge Three

Practise writing your name and the rest of your family members (mummy, daddy etc). How many can you write?

Challenge Four

Can you build your house using junk modelling, Lego or building blocks?

Challenge six

Can you measure everyone in your family and see who is the tallest/shortest? Take some photos to show us.

Challenge five

Log in to your Purple Mash account and complete the set 'to do' task.
