Matthew 5:16

Woodland Art Club with Mrs Bugliarello and Reverend Paul

We are incredibly fortunate to have our beautiful woodland area as part of our school grounds, providing children with a unique opportunity to learn, explore and create in the natural world. This term, our Woodland Art Club, led by Mrs Bugliarello and Reverend Paul, has been making the most of this special space through a range of inspiring artistic activities.

Drawing inspiration from the work of renowned land artist Andy Goldsworthy, the children have created stunning artwork using only the natural materials they discovered around them. From intricate twig sculptures and woodland creatures to striking leaf arrangements carefully placed within the natural cracks and textures of fallen logs, their creativity has been truly remarkable.

The club has encouraged children to look closely at the colours, patterns and textures found in nature, transforming these into beautiful pieces of temporary art. They have worked collaboratively, shown great patience and attention to detail, and developed a deeper appreciation of the natural environment on their doorstep.

What makes these creations even more special is that, just like Goldsworthy's work, they are designed to become part of the woodland itself before eventually returning to nature. The children's imagination, ingenuity and care for the environment have shone through in every project.

As Pablo Picasso famously said, *"Every child is an artist."* Our Woodland Art Club has certainly demonstrated this, and we are incredibly proud of the creativity, curiosity and joy our young artists have shown throughout the term.

Wellington Boots Reminder

After half term, please ensure your child has a named pair of wellington boots in school.

Our woodland area is a valuable part of playtimes and outdoor learning, but appropriate footwear is essential during muddy and wet conditions. Children with wellington boots will be able to continue accessing the woodland area; unfortunately, children without boots will need to remain on the playground.

PTA AGM

The PTA AGM on Tuesday evening was a wonderful opportunity to celebrate the incredible contribution of our Parent Teacher Association and the difference it makes to our school community.

A special thank you must go to Kelly Elliott and Chloe Hunt, who are stepping down after three years of dedicated service. Through their hard work, enthusiasm and commitment, they have helped make our PTA a tremendous success. From organising events and fundraising activities to bringing our school community together, their efforts have enriched the experiences of our children and supported projects that the school budget alone could not provide. We are incredibly grateful for everything they have done and know that parents, staff and children alike will join us in thanking them for their outstanding contribution.

Kelly's Chair's Report is included below and highlights the many achievements of the PTA over the past year.

We are also delighted to welcome our newly elected PTA committee members and look forward to working with them as they continue to build on the PTA's success:

Chair: Nadine Kendrick

Treasurer: Jonathan Chambers

Secretary: Lucy Clewlow

The PTA plays a vital role in school life, and we are always grateful for the support of parents, family members and friends who give their time to help at events throughout the year. Together, we can continue to create memorable experiences and opportunities for all our children.

PTA Chair's Report:

I have been Chair of the PTA since 2023, and during that time I have been incredibly fortunate to have had so much support from such a fantastic team. I cannot thank you all enough for your dedication, hard work, and commitment. It truly takes a team effort to bring all of these events together, and none of it would be possible without your support.

Over the years, we have been able to fund and purchase some significant resources for the school, including VR headsets and new iPads for both the children and teachers. These are achievements we should all be proud of, and they have only been possible because of the fundraising efforts and generosity of our school community.

Unfortunately, due to increasing financial pressures and rising costs, we have had to make the difficult decision to withdraw funding for coaches for school trips this year. This was not something we wanted to do; however, with escalating expenses and reduced support it was a decision that has been unavoidable.

As we look to the future, I will be stepping down as Chair of the PTA. I feel that now is the right time for me to pass the baton on and allow someone new to take on the role. I would like to thank everyone for their support during my time as Chair, and I look forward to welcoming and voting in a new Chair to lead the PTA forward.

Thank you all once again for everything you have done. It has been a privilege to serve as Chair and work alongside such a dedicated team.

Kelly Elliott, October 2026
