Pre-School newsletter

Week 7: 12.10.2025

Dear Parent's, Carers

Wow, and just like that another week is completed and half term is only around the corner. The children have been super busy this term and we are so proud of how they have settled so well into Pre School. We can see some lovely friendships being created and the children's confidence is continuing to grow.

We would love to say a huge thank you for the handmade mud kitchen that has been donated by one of our families. The children have really enjoyed exploring the mud kitchen and this is a very popular area that all the children enjoy. We are extremely grateful for this lovely kind donation.

Dates for your diary

Quality story of the week

This week at Pre-School we have been listening to the story of 'Rosie's walk'. We have been learning all the different ways in which we can move and even acted the story out by going over, under, and through.

Maths

Pre School have been continuing their journey in understanding number in nursery rhymes. Here are just some examples of which rhymes we have been singing to help us to understand numbers and quantities.

Phase 1 phonics and Rhythm time

Pre School have been busy exploring the sounds we can make using our bodies and voice. We even used a mirror to help us to position our tongue to make the sound.

In rhythm time we used the instruments to make the different sounds and have been showing long and short sounds.

Parent's evening

Thank you to all those families that made an appointment to discuss your children journey so far.

If you haven't been able to book one please come and see me to make an alternative appointment as it will be lovely to share your child's journey so far.

Finally,

What an amazing week we have had in Preschool. It has been so difficult to choose our 'Stars of the Week'. This week we have chosen 'Lillie and Cassie'. Well done everyone you have all worked hard.

We can't wait to see who it will be next. Have a lovely weekend.
