RWI and Maths Information Evening for Reception Parents

Dear Parents and Carers,

As you know, at Excalibur, we are passionate about teaching your child to read. Read Write Inc continues to be the phonics scheme we use to teach early reading. We would like to invite you to a short parent's information evening. The aim of the evening is for you to find out a little more about the scheme and how you can support your child with their early reading. We will also talk about writing in reception and explain a little more about our maths learning. We will share our expectations for the end of year so that our reception children are ready for year 1.

The meeting will take place on Thursday 6th November at 5.30 pm and should last around 30/40 minutes. There will be an opportunity to stay and ask questions at the end. Please come to the main school reception where you will be signposted to the year 3 classroom which is where we will hold the meeting. So that we can ensure we have enough materials for you to look at during the meeting please could you let us know on ParentMail if you are able to attend and how many seats you require.

If you are unable to attend we will upload a copy of the presentation onto our class webpage following the meeting.

We look forward to seeing you there,

The Reception Team
