12th November 2025

Dear Parents and Carers,

Cut Your Carbon Returns for 2025!

We're delighted to share that Eco-Schools is once again running its free, nationwide "Cut Your Carbon" campaign this November — and Excalibur Primary School will be taking part!

Last year, young people across the country completed over 200,000 carbon-saving actions, helping to protect our planet and raise awareness about sustainable living.

Each child will soon bring home a Cut Your Carbon Challenge Checklist. Throughout November, we encourage families to work together to complete as many of the six carbon-cutting challenges as possible. Once you've finished, please return the completed checklist to school at the end of November so we can celebrate everyone's efforts and submit our school's total results.

By taking part, our pupils will learn how small everyday actions can make a big difference for our planet and help Excalibur Primary School continue its journey towards a greener future.

Thank you for your continued support.

Kind regards,

Juliet Jones
Headteacher
Excalibur Primary School
