

Term: Summer 1 Week 4

# Pre-School newsletter

Week commencing: Tuesday 5<sup>th</sup> May 2026

Dear Parents and Carers,

Well, hasn't this week been short? It doesn't really seem like we've had enough time for any learning. Of course, we didn't stop in Pre-School and have been as busy as ever. We have been busy counting, singing, exploring the park, and having lots of fun. We really love our Friday sessions with Gemma, and we always look forward to our sing-song session.

## Dates for your diary

**Monday 18<sup>th</sup>-Friday 22<sup>nd</sup> May** - Sports Week (Pre School will be taking part in some activities with the rest of the school.) We will be having our own sports day as well after the half term holiday. Please wear P.E kits all week.

**Wednesday 20<sup>th</sup> May** come dressed as a minibeast for the day. We will be having a minibeast P.E session.

**Friday 22<sup>nd</sup> May** finish for May half term.

**Monday 1<sup>st</sup> June - Inset day. We return on Tuesday 2<sup>nd</sup> June.**

**Wednesday 1<sup>st</sup> July am** Pre School Sports Day - more details to be confirmed shortly.

## Healthy snacks

As mentioned last week, please could you send your child in with a healthy snack. We would advise snacks that do not require refrigeration, as the classroom is getting hot and we do not have facilities to store these items.

Also, please could we ask that all snacks are sealed, as the children will now be putting their snacks into their individual trays in the classroom. This will help the children who will be going into Reception in September to build their independence.

## Quality story

This week, we have enjoyed the very exciting story The Very Hungry Caterpillar. We have been practising remembering the days of the week, as well as discussing which foods in the story are healthy or unhealthy.

We have also been learning about the life cycle of a caterpillar, and we are looking forward to watching the next stage.

## Children's belongings

Please could we ask that, as the weather is changing, all of your child's belongings are clearly labelled.

Pre-School is currently full to capacity, so we have a lot of children's belongings to keep safe, and items are sometimes going missing even though we have named pegs and drawers. Please support your child's independence by encouraging them to recognise and look after their belongings.

Finally,

What an amazing week we have had in Pre-school. It has been so difficult to choose our 'Stars of the Week'. This week we have chosen 'Ajay and Ryver'. Well done everyone! We will look forward to our new stars next week.

From Mrs Johnston

## Additional places from September

As there is a huge demand for places within the Pre-School, we are fortunate to have been able to create some additional spaces. If you are thinking of increasing your child's sessions, please let us know so we can get them booked in.

More details about this will be confirmed shortly.
