

## Reception Class Newsletter

Our wonderful story of the week 'Peepo' by Janet and Allan Ahlberg shows us what life is like for a baby. The illustrations depict life at home in the 1940's. We have talked about what life was like in the past as we examined household objects and toys that were used in the past.

### Caterpillar update

Our caterpillars have reached an exciting stage, they are beginning to emerge as butterflies.

### Show and Tell next week– Baby/toddler photos

Next week for show and tell we would love to share photos of the children when they were younger. It can be them as a baby or toddler. If you are able to upload a picture to Seesaw ready for your child's 'Show and Tell' day that would be wonderful. Please do not send toys for Show and tell next week as we focus on the pictures instead.

### Visits to the school library

You may be aware, that unfortunately, our school library was badly affected by water damage from burst pipes in January. Whilst the damage is being repaired we have been unable to visit the school library. Apologies if your child has had the same book in their bag for some time. We will be removing them from bags when we spot them, unless your child asks to keep it a little longer. We are hoping our library will be back in use after half term.

## Super stars
