

Term: Summer 1 Week 5

Pre-School newsletter

Week commencing: Monday 11th May 2026

Dear Parents and Carers,

This week in Pre-School, we have been busy learning all about the life cycle of a butterfly. We have learnt some new vocabulary, such as "chrysalis", to help us understand one of the stages. Why not ask us what that means?

We were very excited to observe this in Pre-School, and we can't wait to find out how many caterpillars will emerge and transform into butterflies.

Quality story

This week, we have been enjoying the very exciting story, "Twist and Hop Minibeast Bop". We have had great fun learning all about different insects and how they move. The rhyming book was so funny, and we enjoyed clapping and singing along to the story.

Finally,

What an amazing week we have had in Pre-school. It has been so difficult to choose our 'Stars of the Week'. This week we have chosen 'Rowley and Noah'. Well done everyone and we will look forward to our new stars next week.

From Mrs Johnston and Miss Dugmore

Sports week

Next week is Sports Week throughout the whole school, and Pre-School have been invited to join in with some of the activities. Children are invited to wear their sports kit, which consists of a white T-shirt, blue shorts, and trainers.

Please can we ask that you ensure your child is dressed appropriately for the weather conditions. For example, if it is sunny, they will need a sunhat and sunglasses, and sun cream should be applied before coming to Pre-School. If it is cold, they will need a jumper.

P.E bug ball

Don't forget Wednesday 20th May is the day for dressing up as your favourite minibeast.

We can't wait to see your costumes.
