

Term: Summer 2 Week 6

Pre-School newsletter

Week commencing: Tuesday 2nd June 2026

Dear Parents and Carers

What a wet and windy week we have had in Pre-school after all that sunny weather we had last week. Our caterpillars finally decided to hatch from their chrysalis and had a nice sleepover at Mrs Johnston's house. They really enjoyed the pink flowery bush in the garden and then with a flash they flew off making their return journey to Alsager. Have you seen them yet? If not, keep searching and you might see them when you are not expecting it.

Dates for your diary

Thursday 11th June New Parents starter meeting at 5pm

Tuesday 16th June Walk to Alsager library- all children. You will receive a letter and email shortly.

Wednesday 1st July am Pre School Sports Day from 9.15-10.15. This is dependent on weather conditions. Fingers crossed the sun will make an appearance in the next week or so.

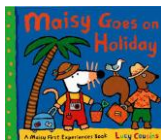

Transitions for new starters

As we begin to come to the end of the year for some of our children, other children will begin their journey with us and will be visiting our Pre-school over the next few weeks.

Our transitions will begin shortly on a Monday and we will begin to meet our new friends that will be joining in September. Our existing children will be able to help our new friends settle in as they are very competent and independent learners and have grown so much in confidence over this year. They will be positive role models and are excited about being special helpers.

Quality story

This week we have had the very exciting story 'Maisy Goes on Holiday' and have been discussing what we need to pack in our suitcase. Pre-school decided that a swimming costume and towel were needed so they could go swimming and splashing in the pool.

Seesaw

Thank you to all those who have sent photos of your half term adventures. The children have really enjoyed sharing their photos with their friends especially as our quality text was about going on holiday. Please continue to send them in as the children love talking their pictures.

Extension

We are very excited to hear the builder starting to work on the extension to our classroom for September 2026. We have spaces available for September 2027 so please spread the news within our community.

Finally,

What an amazing week we have had in Pre-school. It has been so difficult to choose our 'Stars of the Week'. This week we have chosen 'Adelaide and Daisy O'.

Well done everyone! We will look forward to our new stars next week.
