

Term: Autumn 1

Pre-school newsletter

Week 4: 21.09.2026

Dear Parent's, Carers

Wow, as quick as a flash another week is nearly over. We are beginning to notice that the children are becoming more settled with the daily routine and new friendships are beginning to blossom. Thank you for sharing your family moments on seesaw the children are very excited to share them with their friends. If you haven't already, please continue to send them in. We would like to support our home corner with family photos so please could you send one in so that we can display them on the wall and this will enable a sense of belonging within Pre-school.

Building and exploring

This week we have been very busy in Pre-school and have been exploring shapes and making lots of creations. We have been busy exploring the concept of 'big and small' and using new vocabulary such as 'bigger, smaller' when making our creations.

We read the story 'Peace at Last' by Jill Murphy and made our own space rocket to the moon. We are working hard to balance the blocks on top of each other.

Quality story of the week

This week at Pre-School we have been exploring the concept of washing our hands and keeping healthy. We read the story 'Wash Your Hands Mr Panda' and talked about keeping our hands free from germs.

We also took part in a science experiment to see how far germs can travel. We even used the tune 'baby shark' to wash our hands.

Independence

We are beginning to work hard on encouraging the children to take off their own shoes and shoes for P.E on a Wednesday morning.

We are now helping them to remember and recognise their own belongings and we would appreciate if you can continue to encourage this at home too. The children have been working hard during P.E on movement and expressing themselves through different rhythms of music.

Rhythm time sessions

Pre-school had lots of fun with Gemma last week and took part in their first session of the year. We love to sing and dance and move to different types of rhythms.

We are so excited on a Friday to see what Gemma has in store for us and is one of our highlights for the week.

Pre-school applications

Our Pre-school applications for September 2027 are now open. If you would like to have a place within our Pre-school please speak to the office for further information and a registration form.

If you would like to arrange a visit into the Pre-school and to see us in action please contact the school office. Places are filling up quickly so remember to get your application form in quickly.

Finally,

What an amazing week we have had in Pre-school. It has been so difficult to choose our 'Stars of the Week'.

This week we have chosen '**Francesca and Bodhi**'. Well done everyone. We can't wait to see who it will be next. Have a lovely weekend.

From Mrs Johnston and the Pre-school team
