Term: Autumn 1

Pre-school newsletter

Week 7: 12.10.2026

Dear Parent's, Carers

Wow, and just like that our first term is nearly over. The children are really confident at arriving into the Pre-school classroom and are showing a good understanding of the morning routine. It is lovely to see the connections that the children are making, are beginning to blossom into some beautiful friendships and most importantly the classroom is filled with fun, laughter and giggles. We are looking forward to next week with a week filled of pumpkin madness and all things spooky.

Maths

This week we have been busy exploring understanding the counting principles of stable order (knowing numbers in the correct order).

To help Pre-school with this we have been focussing on singing nursery rhymes such as '1,2,3,4,5 once I caught a fish alive, one potato two potato, and 10 little apples.

Parent's evening

It was a pleasure to meet with you all to discuss how well your child has settled into life at Pre-school. They really are amazing and show high levels of confidence within the school environment.

It has been lovely to hear that you are enjoying seeing moments of your child's day through our posts. We are working really hard to share these with you. If you were unable to meet to discuss your child's progress and would like to arrange a meeting, please pop a message on Seesaw and an appointment can be further arranged.

Everybody is Welcome

This week at Pre-School we have been exploring a range of text to support we are all different and welcome. We have looked at 'Giraffes Can't Dance' and have danced and partied to a range of different songs finding music we all love to express ourselves too.

We have also looked at the story 'Elmer' and discussed that we are all are all different unique and special. We even made our own unique elephant using techniques such as sticking and gluing and folding paper to support our fine motor skills.
