

Home Learning in Year 2

Home learning has been more important than ever for the education of pupils and we will continue to provide key learning through our new learning platform on Google Classroom. We are very well supported by our parents and our school community and we value the vital role you play in supporting the children at home.

<https://classroom.google.com/>

Each week, we will send home spellings on a WEDNESDAY on Google Classroom as well as provide spelling activities on Spelling Shed. <https://play.edshed.com/en-gb/login>

We will also provide a piece of maths homework through MyMaths <https://www.mymaths.co.uk/> or, a Reading Comprehension homework through Google Classroom each Friday.

For the first time, children in Year 2 will be able to log onto the very popular Times Tables Rockstar software. <https://play.ttrockstars.com/auth/school/student> This has been designed to create a very fun environment to promote memorisation of times tables and has proven very successful in Key Stage 2 so far so please encourage your child to explore this website.

In addition to this, please find below some tried and tested websites to support learning. Let us know how you get on – we love to hear your feedback!
