

TACTILE ARTS CLAY CLUB

Dear Parents/Carers,

We are very pleased to offer **Year 1-6 pupils** the opportunity to join our **weekly Clay Club** at St Vincent's Primary led by Tactile Arts. The club will run on Tuesdays **after school** for an hour, continuing in September for Autumn 1.

Year 1-6 Clay Club: Tuesdays

We do different activities every term so if your child has previously attended, there won't be any repeats.

Tactile Arts is a Manchester-based arts organisation offering creative activities for children. We believe that every child has the right to a creative education, and this club is a fantastic opportunity for children to explore their creativity through working with clay, led by our professional artist team.

Throughout the sessions, children will learn a range of clay techniques, from hand-building and sculpting to decorative finishes while also enjoying a relaxed and supportive environment. Children will bring home lots of exciting clay projects throughout the term.

Clay activities include:

- Foam Clay
- Sculpture making
- Wet Clay
- 3D models
- Painting sculptures

Places are limited and will be on a first come first served basis. The cost is £12 per session including material costs. Please provide a painting shirt or apron. The club is booked as a full half term course.
