

Oak Class

Spring 1
January 2024

Bosley

St. Mary's CE Primary School

As a result of the children's attitude to learning and positive mindset, we had a great deal to celebrate last term - from both individual and whole class perspectives. This gives our children a solid foundation on which they can build their learning; I am excited to watch them embrace the engaging learning opportunities and challenges which await this term.

I am usually available for a quick chat at the end of the school day or you can arrange a longer appointment via the school office. I aim to reply to emails during working hours within three school days.
