

Caterpillars learning

Caterpillars class have lots of fun! We have been making friends with the new children starting nursery and showing them all the things we can play!

We've been singing "Miss Polly had a dolly" and roleplaying doctors; who give lots of injections! Ouch! We are learning the vocabulary for body parts. Outside, we've been balancing and trying hard to ride the scooters and bikes.

Butterflies learning

Happy New Year Butterflies class!

We have been learning about the Three little pigs and the big bad wolf—who has been huffing and puffing and blowing the house down?

We've been improving our fine motor skills with cutting, name writing, painting and playdough and working hard to be independent with our own coats and using the bathroom.

January Superstars!

A big well done to all our former Caterpillars who have joined the big Butterflies class—we are so proud of you all!

- Anya - more confident to speak in the group
- Annalise - what an artist!
- Navinio - sharing toys
- Alfie - listening so well
- Julia - so confident and friendly!
