

Caterpillars learning

We have been learning all about vehicles. We love the wheels on the bus and the 5 little firemen songs. We were excited to see the Fire engine this week and we've been pretending to put out fires with our hosepipe props!

We had lots of fun driving our cars and trucks through the paint to make tracks.

We've had some new friends to meet too!

Diary date!

Sporty stay and play will be on Thursday 21st May (weather permitting) at 10.45am or 12.30pm.

Butterflies learning

In Butterflies class we are learning about our world and our community. We've already had visits from the Fire service and have more exciting visitors coming up. We've been out of school; shopping in Aldi and heading to the local allotments, where we saw tadpoles in the pond. We've been busy in the wildlife area too; planting potatoes, beans and lots of other seeds. Our key story has been Goldilocks and the three bears. We made and tasted porridge and wrote speech bubbles for different characters.

Welcome to our school:

Meichelo
Gian
Zuri
Milenia
Jason
Adam
Hunter
Christopher
Evelyn
Matias

May Superstars!

Ailyhn - so kind and friendly
Teejay - building with bricks
Aariv - talking and singing
Frankie - making models
Antonia - great counting
Mashfy - working hard to write his name!

We are so proud of you!

Please excuse our mess! On the grass area, at the front of school, we are growing our own wildflower meadow!

Do you have a toddler waiting to start?
'Toddler time' is running each Friday morning in June from 10-11am.
