

Hello Parents and Carers,

Welcome to Westminster or welcome back! It has been so lovely to see how excited the children are to be in nursery; learning, playing and making friends.

A few key messages for our grown ups:

We play outdoors in all weathers, so please remember to **send your child with a coat** each day now the weather has changed.

To comply with the latest advice for Early Years we are asking that you **only put water or milk** into your child's bottle - research has shown the harmful effects of juice on children's teeth. We will keep promoting healthy food and drinks through our snack times too.

If your child cannot come to school, through illness or other circumstances, please email us on admin@westminster.cheshire.sch.uk or leave a message on the school answerphone on 01270 560319. Thanks!

Your child will be coming home with a **book to share from our school library** - we hope you enjoy them together. When you've read it, just send it back in and they can select a new one.

With the new strict guidance around screen time and mobile phones for children under 5 we are asking all parents to please **put your phones away as you enter our school** - so you can greet your child with a smile and a hug instead!

We are looking forward to an exciting year—lots of fun and learning to come!

Mrs Emma Connor - Headteacher
