

Year Two Homework

Thursday 19th April 2024

Due in on Tuesday 23th April 2024

Reading

Please read at least **four times a week**.

TT Rock Stars

Please make sure you are logging on at **least three times a week**.

Maths

This week in maths we have learnt all about measuring length and height using cm and m. The children have been amazing using rulers accurately to measure lots of different objects around the classroom.

Please practice measuring, have a go estimating and then measuring 6 different objects from around your house. You will need a ruler or tape measure. Don't forget to record your measuring in your books.

There is also a great measuring game online to play.

Spellings

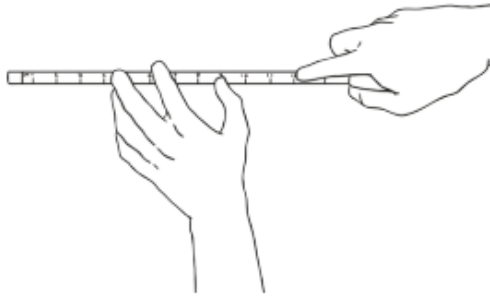

Next week we will be learning about words spelt ar and or after /w/.
Please practise the following words for a spelling test next week.

towards
war
warm
word
work
world
quantity
squash
want
watch

Estimate and Measure

You will need a 30cm ruler. Find six objects from around your house that you think you could measure with a ruler. Estimate and measure the length of each one. Write the names of your objects, your estimations and the actual measurements in the boxes below. Don't forget to write the unit of measurement (cm) next to each answer.

	Estimation	Measurement
Object 1:		
Object 2:		
Object 3:		
Object 4:		
Object 5:		
Object 6:
